I SAW HER STANDING THERE

LENNON / MCCARTNEY

Intro: One, two three, four ... E7

Strum=DDU DDU

First Note=D

Well she was just seventeen and you know what I mean

And the way she looked was way beyond compare

So how could I dance with another oh,

When I saw her standing there

Well she looked at me and I, I could see

That before too long I'd fall in love with her

She wouldn't dance with another, ooh

When I saw her standing there

Bridge

Well my heart went boom

When I crossed that room

And I held her hand in mine

Well we danced through the night and we held each other tight

And before too long I fell in love with her

Now I'll never dance with another, oh

Oh, since I saw her standing there
